

Overview

Benefit from one of Brazil's leading teams for Public Law, experienced in handling a wide range of public, administrative and regulatory law matters. From administrative and judicial proceedings, such as class actions, public civil lawsuits and proceedings before Public Audit Committees (Tribunais de Contas), to legal opinions and memorandums on, our team regularly advises clients on the following key issues:

- Public procurement
- Public concessions, authorizations and permissions;
- Public-private partnerships;
- Infrastructure projects;
- Privatizations and expropriations;
- Interactions with governments and regulatory agencies;
- Participation in public consultations and hearings;
- Licenses, permits and other regulatory requirements;
- Administrative claims;
- Negotiation of settlements and conduct adjustment commitments;
- Structuring and implementation of compliance programs.

Whether your business is local or global or anywhere in between, leverage a talented team in Brazil who are supported by thousands of colleagues around the world and ready to assist you wherever your business takes you.
